Introducción

Uno de los aspectos más gratificantes de la trayectoria constante y callada de estos cuatro decenios ha sido la presencia en las bibliotecas. Es posible acceder a a la consulta de la variedad de su legado, formado 57 participaciones en libros entre 1981 y 2021 y numerosos artículos en formato digital, en más de un millar de bibliotecas distribuidas por 60 países de los cinco continentes.

A ello hay que añadir que, desde el 5 de diciembre de 2009, la página Idiomaydeporte.com se encuentra en las colecciones del *Archivo de la Web Española*, una iniciativa de la Biblioteca Nacional de España destinada a conservar digitalmente material cultural.

Bibliometría

Otro aspecto destacado ha sido la bibliometría para conocer el impacto de la producción literaria. Google Académico ha registrado desde 1996 hasta la actualidad 451 citas a 88 trabajos de tema deportivo, con 11 publicaciones en el Índice h y otras 13 en el Índice i10 con una evolución que ha pasado de 1 cita anual en 1996 a 46 en 2018. Conforma un cuarto de siglo en el que todos y cada uno de los años que lo forman ha aparecido una cita.

Presencia en bibliotecas nacionales

Sin duda, una de las cuestiones más gratificantes des estos cuarenta años de trabajo ha sido la presencia en varias bibliotecas nacionales por su labor en educar mediante hechos, mostrar la historia y aportar una mirada con nuevos sentidos a los materiales recogidos en ellas.

Figurar en sus catálogos, con obras o publicaciones que reseñan y referencian mis obras, constituye un trabajo de documentación fiable que permite a los lectores relacionar datos de experiencias anteriores y vincular tendencias que los rigen.
